

Who: LOCO Guild members and friends (up to 15 participants)
 What: Weekend Learn to Weave Weaving 101 - Wool Scarves
 Where: Ohio State Extension Complex, Russia Road, Elyria OH
 When: Saturday, Oct. 23 9:00a-12:00n - Pre-Weaving 101
 Friday, Oct. 29 6:30-8:30P
 Saturday, Oct. 30 9:00a-4:00p
 Sunday, Oct. 31 10:00a-2:00p

How much? \$40 for workshop (payable to LOCO), plus ~\$35 for materials (Harrisville Design Shetland wool yarn) (payable to instructor - Betsy L. Bruce)

Learn to design your project, create a warp, dress a loom and weave your project in a weekend. This workshop is designed to help weaver wanna-bes (absolute beginners as well as those who would like some refreshers) learn how a loom works to their advantage! FYI: one will thread ~80-120 ends for two 10" wide scarves

Do you have access to a loom? YES No
 If yes, type of loom: floor table rigid heddle
 Number of harnesses 2 4 8 Size of reed 6 8 10 12

If not, and need to borrow, do you have a station wagon, mini-van or truck to transport a loom to the extension office and then home to finish the scarves?

Do you have room at home for a loom?

Supplies:

Harrisville Design Shetland weight yarn for warp and weft will be provided as part of the materials fee. Please go onto the internet (www.yarn.com then click on weaving, wool, Harrisville shetland to choose your favorite color) I'll place a group order immediately following the September meeting (9/14/10). There will be enough yarn for weft (yarn that goes across the project) but feel free to bring wool yarn of similar size from your stash for weft.

| Bring the following if you have: | Please bring the following for your use: |
| <input type="checkbox"/> warping board or reel | <input type="checkbox"/> two dowels (3/8" cut to the width of your |
| <input type="checkbox"/> sleying hook | loom) for lease sticks |
| <input type="checkbox"/> boat (preferred) or stick shuttle | <input type="checkbox"/> 4-6 paper grocery bags |
| <input type="checkbox"/> bobbins to fit boat shuttle | <input type="checkbox"/> dull pointed embroidery/tapestry needle |
| <input type="checkbox"/> bobbin winder | <input type="checkbox"/> cloth measuring tape |

_____ bench or chair (you might want to bring a cushion to pad chair)
Please label your possessions _____ scissors
_____ paper/writing utensil for note-taking

Schedule:

1st Saturday morning (October 23rd, 9:00a-12:00n)

Lectures: Vocabulary, Parts of the Loom, Design Principles, Planning your Project, Calculating Supply Needs for a Project
There will be lots of samples to whet your whistle.

Friday evening (October 29th, 6:30-8:30p):

Move loom and gear to classroom
Inspect looms for preparedness, repair if necessary
Demonstration: Making your Warp.

Saturday morning (October 30th, 9:00a-11:45a):

Using some inspiration, make warp
Demonstration: Winding Warp onto Loom
Dressing the loom and preparing to weave.

Saturday lunch: Please bring a brown bag lunch. Soup & hot beverages will be provided.

Sat. afternoon: (1:00-4:00p):
Start weaving your first project :-)
Questions & answers

Sunday morning (10:00a-2:00p):
More weaving
Troubleshooting
Lecture: Finishing Procedures

Pack up, clean up and depart

Please note:

Classroom is on the first floor—easy to get loom and gear into room. You'll be able to leave items overnight.
