Designing with Color
 by
 Betsy Bruce and Karen Long

Join us at the Amherst Park: Beaver Creek Center on Tues May 14th for an evening of color exploration. Betsy and Karen will lead us through several color exercises using the color wheel, the language of color, and 20 or so different cotton yarns for yarn wrappings. Come eager to experiment and have fun. Please bring scissors, scotch tape, a color wheel if you have one (no need to go buy one, we'll have several there), and a picture or two (think magazine or old calendar) for inspiration. Hope you can join us.

President Sheryl Billman opened the meeting reminding us the May meeting will be at Beaver Creek Nature Center, Lake Road, Amherst. Look for directions elsewhere in newsletter.

The minutes from March were approved as in newsletter; motion Betty Roll 2nd Karen Long; vote OK.

+Betsy Bruce read the Treasurers Report: Beginning balance of \$2,849.52; ending balance \$2,721.37. The program next month will be Exploring Color, to be presented by Betsy Bruce and Karen Long. Bring color wheel if you have one, scissors and scotch tape. We'll do Hands-on four-color wrappings. This will be followed by the Fiber Reaction Dye Day Workshop at Sheryl Billman's house on June 1st. Sign-ups are necessary so email Judy Keske or Nancy Kuhar (listed on the last page). Supply list will be sent to signers.

+Sunshine, Patti McAndrew sent six Birthday cards and one Thinking of You.

+Newsletter, Mary Carmosino asked that any member not getting the newsletter contact Donna Holmes either by phone or email (see last page) with *your* correct email address. Karen Long also informed us that if you should get the newsletter by email, you should have received an email from Donna asking you to respond. If you didn't get call Donna at (412) 439-9001.

+Marcee Stephenson said there are still opening for refreshments in August, September and November.

+Elisabeth Yasaki has finished one warp chair for the Heifer Project 2013 from March's dye day with the second on the way. We have a donation of an alpaca fleece from Carlee Mahajin for our future Heifer Projects.

+Library, Eboni Johnson said our subscriptions are ready to renew.

+Julie Bragg asked equipment borrowers to contact her and let her know if you want to keep the borrowed items longer, want her to pick them up, or would like to borrow something else.

+Beth Hines was in Fireland Farmer with pictures and article about the Tuesday group.

+Under demonstrations Etta Rowe asked for a decision about our guild's participation at Birmingham this October. Four people volunteered!

+Membership Cheryl Lesure asked members to review the current list for corrections. She has shared it with Lake Farm Park, Kirtland so our member can get in free to the Woofest - June 22 & 23, 2013.

+Under New Business Patti McAndrew said the maker of our LOCO logo apparel is now making buttons. Patti brought some samples and asked if there was any inters in canvas aprons with our logo. Remember you can order T-shirts, hoodies, etc. through Patti.

+Our two guests for the evening: Nora Eason and Lisa Davis presented the program of spinning exotic fibers. Lisa brought a charka for spinning cotton. The program and samples were enjoyed by the members.

Refreshments were also enjoyed. Thanks!

Respectfully submitted,

Long story short--

A former Oberlin College student who learned to weave with me is working at a farm in Bath NY (Finger Lakes area). A friend/colleague of hers (Kylie Baker) has built/has had a tractor loom built. Now she's trying to raise funds for a two-month tour of NE US and Canada to show off this tractor loom, share love of weaving/farming/veggie fuel and more...
