President Billman opened the meeting with thanks to Betsy Bruce and Karen Long for May's color presentation, the preparation for Dye Day and thanks for the wonderful refreshment. Minutes for May meeting were approved as written. No treasures report.

Holly announce upcoming programs: July - potluck and time to visit among members and guests; August – Creating from recycled materials – bring ideas and projects you came up with or have done; September – making buttons; October – feed America potluck.

Sunshine Patti McAndrew sent two birthday cards and one thinking of you.

Mary Carmosino – Newsletter – Send more things of interest and to share including pictures from demos.

Marcee – Refreshments – discussion of sign-ups when it's a potluck. Call Marcee with questions.

Heifer Project – Elizabeth – Nothing new; we will be getting tickets and signs to take to upcoming demonstrations.

Workshop Chair – Dye Day was wonderful!

Demonstrations – If you want to sign up for Medina County, Lorain County or Cuyahoga County Fairs for demos please email Chris Strekely.

Membership Chair Cheryl Lesure had a sign-up your membership table. Dues start in June. \$20 dues for one-year membership. Contact Cheryl if you haven't done this yet.

There was some discussion about those who are members and are not getting the email version of the newsletter. Lynne Kopinski offered to help with that by sending out two different emails to try to decipher why some aren't getting it. Please respond as requested to help with the process. Also email Karen Long at Karen@oberlin.net if you want her to mail you a paper copy.

New Business – Mary Carmosino would like to have members look at [Weavolution.com](http://weavolution.com) and consider becoming a new group there to post our information on instead of depending on a number of things to get information out and become more visible. There could still be paper copies of the newsletter sent when necessary. Please look at the web site and see what you think of it so there can be further discussion. This would be a learning process for all but may be a good thing too. Check it out, it doesn't cost anything to sign in and look around: <http://weavolution.com/groups-forums>.

Announcement by Shelle Sheppard – Bridal Shop closeout sale. Some discussion about looking at other charities beside Heifer International.

NOTE: July's meeting at Wellington Reservation, Jones Road, Wellington. Gather at 6pm to eat at 7pm. Bring table service, food to share, show and tell and any projects you want to work on as we socialize!

Delicious refreshments were enjoyed. Our program was by Sheryl Billman – Tiny Fiber – Small projects from little scraps of material, laces, thrums, yarns, etc.

We had three guests: Deanne Dye and Gwyneth Higgins from Sheryl neighbors and fellow Dye Day participants and Cheryl Brice. Welcome!
