## Presidential Perspective July, 2019

Finally, summer is here! The rainy weather lasted way too long!

Membership: reminder that dues are \$20. Jean will have forms available at our meeting. If you cannot make our meeting, then send dues to Jean or at least contact her so that she can start preparing our membership book.

Fair: Fair forms will be available to fill out. It costs \$30 this year, but LOCO will reimburse you \$5 if you sign up for a weaving or spinning entry. Gina or I will hand deliver forms if you cannot get to fair office. (It cost an extra \$5 to sign up online or to mail your form)

Workshops: LOCO Guild, Medina Guild and FAVA are working hard to bring new refreshing spinning and weaving opportunities to us. Check out all the workshops! FAVA has some summer workshops, LOCO's first workshop is in September (WEAVE-IN) and Medina has an October (Pin Loom) and November (Spinning) workshop. We are never too old or too experienced to learn new techniques.

Service Project: Last month we discussed possible organizations to send our fund raising proceeds to this year. All in attendance were very happy to keep the four from last year; SEPA (Santa Elena Program of Accompaniment) Scholarship money to Copal AA Guatemala sister guild, Heritage Breeds/Livestock conservancy; Support an Elder (Navajo weavers/knitters) and Heifer International Program. We will vote this month on organizations.

Demonstrations: Thanks to all who are signing up to participate in demos this season. Elizabeth and Chris are providing information every meeting and follow up with phone calls and emails. Nice work.

Newsletter: Once again thank you Gina for providing an informative newsletter. I know Gina gets bombarded with items for newsletter. Just a reminder we need to be aware of copyright etiquette. AND, READ the newsletter prior to our meetings. It helps us streamline our meetings.

Programs: The next few months we are flipping our programs and business meeting. Our program this month will begin at 7:10 and then refreshments and business meeting.

On the lighter side: Q: How did the weaver feel when her cow ate her warp?

A: She was udderly beweft.

Q: A spinner and a weaver were both driving home during rush hour.

Who got home first?

A: The weaver, of course.

Q: Why do weavers love the day after a big feast?

A: Because of the weft-overs.

Barb Enos

**EDITOR'S NOTE: Please watch for an additional email that contains sign up sheets for the Weave-in, the Spinning Workshop, an a list of entries available for Spinners and weavers at the Lorain County Fair. WE NEED ENTRIES!!!!**
