If you have any spun yarn or fiber left that goes with the service project, please bring it back to the February meeting. Or you can bring it to Karen at the Bead Paradise, if she isn't there you can still leave it there. If you have any other questions about it call our dear president, Elizabeth, @440-463-8553. (She can text now!)

## February Program

Have you seen these at craft fairs and wondered what they can do? Come to the next meeting and learn a little history and the basics of using a "Lucet". If you have one and know how to use it, dust it off and show us what you can do! If you don't know how to use it, bring it, and give it a try. If you don't have one, there will be some available for purchase. (\$2.00) Yarn to experiment with will be provided for all.

## **FROM YARN to GARMENT**

Mark your calendar for the 15th year of "From Yarn to Garment", a winter term group project at Oberlin College sponsored/taught by Betsy Bruce. In this project students design, weave and construct a garment in less than four weeks with some absolutely marvelous results. Come celebrate!

Sunday, January 31st at 1:00p is the Style Show and Exhibition Opening at FAVA (Firelands Association for the Visual Arts), 39 S. Main St. in Oberlin.

If visiting Oberlin, guests are always welcome to drop in weekday afternoons, 1:00-5:00p at FAVA (1st floor Main Gallery) between January 11th-27th. .... **Betsy**

**Note from Barb Enos - Etta and Ed have been coming in. Ed helped repair a loom and made a small part for my beater. Mary Carmonsino has been coming in daily to help. Other guild members popped in here and there.**

Remember, the class opens to non-guild members on January 31st. Please let Ed know if you want to attend. [erowe132@aol.com](mailto:erowe132@aol.com)

### **Hope your Holidays were Happy LOCO's!**

I'm working on a project for a fiber bombing and am in need of scrap balls of yarn in any weight, fiber, and/or color. You know, the ones that are only an inch or two in diameter or anything larger that is not useful for a project in your future.

I could collect donations at the January and February meetings. They could be dropped off at FAVA during the Yarn to Garment Class, taught by Betsy Bruce, or the guild library in Ginko Gallery during the month of January.

I'll be happy to report on the project as it progresses. Thank you, in advance, for your support in this fiber bombing frenzy!

Mary Carmosino

### **Mill Hollow Demo - Winter Days Festival**

Saturday, January 30, 11:00 am to 3:00 pm. It is always a lot of fun! I am bringing a thermos of hot chocolate and cookies to share! (Gina) Please join us! Please let Chris know right away.
