LOCO Spinners & Weavers Guild 2016

Fall Weaving Workshop

From Nancy Page:

Australian Challenge

This is a Challenge that I have been participating in for at least ten years.

The 24th International Scarf Exchange 2017 is being called "Brisvegas" this is what the locals call Brisbane. It is being hosted by Queensland Spinners Weavers and Fibre Artists Ltd. There is a very tight turn around this year if you want to participate, they must receive your fiber by January 15, 2017. If you want to join the fun, email me or call and I will either email or send you a copy of the entry form. There is a PayPal account for you to pay the fee which is \$32AU. If you have any questions, I will try to answer them.—Nancy Page

Great Lakes Fiber Show

We are still looking for members to help set up and tear down the class room areas for the workshops. We are also looking for a few more to be class angels. A Class Angel, gets to audit the class, but not fully participate your duties will be to: Collect materials fee for instructor, Collect feedback forms, any help passing out stuff for the instructor, tidy up the space for the next workshop.

If you want to take the class and be the Angel you will still have to pay the class and material fees. There are 12 workshops, four which are all day 9-4. the other six are half day either morning or afternoon. If you would like to see a list of the workshops you can find them at <http://www.greatlakesfibershow.com> then click on the workshops tab. Registration begins on January 20, 2017.

Contact Nancy Page if you are willing to help.

The Medina Guild will also have a booth to sell items and demonstrate our craft. If you wish to sell items or are willing to come and demo in return for a space to sit and relax after shopping. Please think of joining us. There will be more information in future news letters.

Please remember to bring in your tickets for the Shawl Raffle to the next meeting.

There are some board member slots open. Please consider pitching in. Please contact Sara Twining if you might be interested.
