President's Perspective October 2017

It seems like fall is the time for many people to do acts of kindness and this fall seems like a time that many people are in need. Around the country we have many people trying to pick up the pieces from hurricanes and earthquakes. We once had 12 inches of water in our basement and I thought that was the end of the world. I cannot imagine living in the after effects in Puerto Rico. Closer to home, we have some guild members that are recuperating from an accident and a surgery. Our get well wishes go out to Patti (mending from bicycle accident) and Karen (recuperating from hip surgery). What can we do to help? Send good wishes to both Patti and Karen and inquire as to how you personally can help them. There are national organizations that are helping hurricanes and earthquake victims that you can donate. At our October meeting, we will have a potluck and small basket donation for Food for Hunger. Purchase tickets or actively sell more tickets for our raffle. This money will go toward helping others. As a weaver, I would like to continue supporting funding the student from Guatemala. Our mission statement is three fold-one being: to assist members in the pursuit of spinning, weaving and fiber art through education, discussion and programs. What a better way of promoting our love of the fiber arts!

See you in October!

Give someone a sweater and he/she will be happy for a day; teach a person to knit and he/she will be happy for a lifetime.

LOCO GUILD SEPTEMBER 2017 MINUTES

President Barb Enos opened the meeting. We had one guest, Donna Brewer. Minutes from the last meeting were approved as corrected, "Missy had reported \$759.11 in the new bank and \$3099 in the old bank": motion by Jean O, second Kathy Webb, passed. Elizabeth and Barb are working on awards for the Old to New Project which is due at the November meeting. Treasurer Missy said we are officially with LORMET for our LOCO banking account with \$3000 in an interest bearing account and around \$2000 in checking. She asked if anyone else wanted to donate to Genesis House in Linnea's memory.

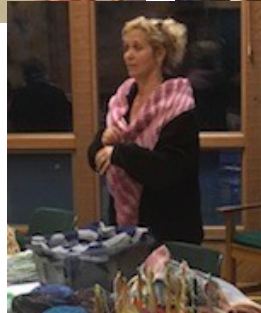

Programs, Elizabeth reminded us October's meeting will be at the Wellington Reservation on Jones Road, Wellington. We'll start our Harvest for Hunger Potluck at 6:30 to be followed by the meeting. Bring a dish to share and a monetary donation for Harvest for Hunger if you want. November's program is revealing our Old to New challenges; December is our Christmas party where we choose our raffle for the Service Project Shawls, pick the two Scholarships from those who have demonstrated, and share goodies. There is also a Christmas homemade ornament exchange. You bring one; you take one home. Remember to sell those raffle tickets.

Kathy Webb brought samples of dark grey and silver mohair for us to take. Nancy explained more about Spinzilla and how to participate. Chris Strekely asked if we want to participate in the Senior Fair at the Lorain County Vocational School October 7 10am -2pm.

Old business Jennifer and Barb are putting together a flier to order items with our logo. They plan to have that at our October meeting. Be looking for it in the newsletter. Meeting was adjourned. Next meeting is October 10 at the Wellington Reservation. We had Show and Tell, refreshments and made tassels under Elizabeth' teaching. A great time was had by all.

CONOVER WORKSHOPS FIBERARTS CLASS SCHEDULE NOW AVAILABLE....

7

Conover Workshops' Fiber Classes are now posted on our website for the remainder of 2017 and Spring of 2018. Many have questioned the interruption of our class schedule. Susan had the second of two major surgeries in late January, which required a protracted recuperation period. Happily all this is behind her and she's enjoying wonderful health. We are looking forward to you visiting our studio and participating in a class!

LOCO Guild 2017 From Old to New Challenge - NOVEMBER!!!!

Fellow guild members, are you ready for a challenge? Our 2017 challenge will be a re-purpose or re-create challenge. Here are the guidelines:

- Take an old garment, blanket etc. and re-create something new!
- The old item can be from your closet or someone else's. It can also be from a second hand shop.
- Remake the piece into something new. If the old was a sweater you can make it into something new like a scarf, pair of socks, hat or even back into a sweater. If the old was a shirt, you can quilt it into something new. You may add other materials to your project like other yarn, fabric or bead items but at least 50% of the new project needs to come from the old.
- Take a photo of the old so members can compare it to your new. (need help with a photo, bring it to a guild meeting and someone can snap a photo for you)
