Show And Tell

Presidential Perspective

September, 2021

I missed seeing everyone in August. I can't wait to catch up this month.

All the fairs are almost over. Cuyahoga, Medina, Huron and Lorain are over. Not sure if anyone participates in any other fair. Bring your fair ribbon winners and other fair entries to our September meeting for all to view who did not make it to the fairs.

This newsletter is packed with upcoming events, so I will keep it short.

See you in September.

LOCO Challenge 2021

Function and Color

Design a **functional** piece – something you can use every day.

A towel, blanket, hat , scarf...
the possibilities are endless.

Your piece has to include **five** colors.

Any five colors of your choice.

Challenge: June 2021 to February 2022

Note from Gina: I have gone down a number of paths, but I cannot get a zoom meeting out of the Carlisle reservation. We will retain access to a Zoom License, so if needed, like during bad weather or if the COVID situation gets worse again, or if it just works out better, we can still meet via zoom. It has proved to be a useful tool.
