You will be receiving "Yet Another Survey" regarding the challenge. Quite a few people wanted another challenge similar to the chain reaction, We will see what comes up.

Lorain County Fair: I have been in touch with the organizers of the Needlecraft Barn. I think there will be some changes this year. I will also be looking for volunteers to help work the barn. If you are interested let me know.

Medina Guild: Medina Guild is sponsoring a Deflected Double Weave Workshop with Natalie Drummond March 25 and 26th. There is still room for a few more weavers. See Jean Crawford for more information.

Weaving TnT: Dynamite Tips 'n Technique for Every Weaver

“Would you like to learn a great method for repairing a broken warp end, tracking your treadling while you weave, making your own repair heddles, or just make weaving easier and more pleasurable? This gizmo-and-gadget centric presentation looks and feels like an interactive show-and-tell and will introduce over 36 offbeat tools, techniques, or tricks to assist weavers in all phases of weaving.”

Robyn Spady is a well know name in the weaving world. She founded the digital magazine “Heddlecraft” and had written numerous articles for Handwoven. She also teaches online extensively.
